Supervisory personnel will be present during those times to ensure safety of the students and property on the Great Plains Technology Center campuses.

B. Security considerations used in the maintenance of campus facilities

As Great Plains Technology Center Campuses, both in Frederick and Lawton, are remodeled or maintained, security measures are examined. Current security includes lighted parking lots and digital surveillance of campus areas. Campus wide surveillance has been installed to monitor areas and collect digital evidence.

5. Policy on Campus Law Enforcement.

For the reporting year ending December 31, 2015, Great Plains Technology Center did contract with off-duty Lawton Police Department personnel to assist with crime prevention. These security officers may investigate crimes and refer to the Lawton Police Department for arrest purposes. 7. Encouraging Crime Prevention.

Administrators and employees of GPTC work closely with local and state law enforcement officials to educate both secondary and adult students on how to protect themselves and their property. This is accomplished through campus-wide assemblies, classroom orientation, and individual student and employee conferences. Campus-wide assemblies are held annually and orientation is conducted with each entering class. New employees complete a year-long orientation to all campus policies and procedures, including security.

Students attending activities (whether away from school or on school property) will be subject to the provisions of the student code. (*Student Handbook*, Page 58)

9. Possession, use, and sale of illegal drugs and enforcement of federal and state drug laws.
