AGRICULTURAL & MACHINERY
REPAIR TECHNICIAN
2018-19

Class Meets: Monday - Friday

Instructor: Jim V. Smith

Class Time: 8:00 am to 3:15 pm

1590 hours - 15 months

The Agricultural Machinery & Technology career major is designed to provide a general knowledge of the farm mechanics field. The primary goal of this career major is to provide basic skills necessary for entry level employment in the field of agriculture mechanics and associated equipment, as employed in the farming industry.

The instructional material format presents complex mechanical activities in simple logical sequence. The format allows each student some flexibility and control over the learning rate. Instruction focuses on the basic theories of operation, service, and repair of agricultural engines and applicable farm equipment.
