

UNLIMITED ELECTRICIAN'S ASSISTANT 2016-17

Class Meets: Monday - Friday

Instructor: Mike Klein

Class Time: 8:00 am to 3:00 pm

1815 hours - 18 months

This major prepares students as electrician's assistants who assist in installing, diagnosing and repairing electrical systems for residential, commercial and industrial applications. Students are trained in safety practices, hand and power tools/equipment use and application and electrical theory along with AC/DC circuitry, and wiring applications. Included are motors, motor control circuits, and power distribution systems as well as industrial controls and electromechanical devices, the National Electrical Code, and security and alarm systems. Hours completed in this major can be counted toward the 8,000 hours (four years) of work experience required for the journeyman electrician license.
