

## INDUSTRIAL HVAC SERVICE TECHICIAN

**2016-17**

Class Meets: Monday - Friday

Instructor: Zachary Sale

Class Time: 8:00 am to 3:00 pm

1050 hours - 9 months

This career major prepares students to enter the high demand “green-collar” industrial HVAC/R industry. Students will be instructed in the installation, maintenance and repair of heating, ventilation, and air conditioning systems in an industrial setting. Students will learn how to follow HVAC/R blueprints, codes, and written instructions in order to assemble and install HVAC/R equipment and sheet metal in an industrial application. After successful completion of this career major, the student will meet the training/experience requirements to take the Oklahoma State Mechanical Journeyman’s license test.
