

VIDEO PRODUCER 2017-18

Class Meets: Monday - Friday
Class Time: 8:00 am to 3:00 pm

Instructor: Dan Tibbs
1050 hours - 9 months

This major prepares students to provide assistance in the production of video recordings and programs. Students master non-linear computer editing techniques as they learn to develop and enhance visual communication. In addition, students acquire skills in digital photography and understand copyright basics. Students gain skills required for Adobe Certified Expert certification. (Broadcast Production is an optional course that may be added to this career major). Students gain skills required for Adobe Certified Expert certification.
