

**MEDICAL OFFICE ASSISTANT  
2018-19**

Class Meets: Monday - Friday  
Class Time: 8:00 am to 3:00 pm

Instructor: Nicole Wilson  
1050 hours - 9 months

This major prepares students to maintain patients' records using universally recognized coding systems that ensure compliance with federal regulations and insurance requirements. In addition to learning International Classification of Diseases (ICD) and Current Procedural Terminology (CPT) coding principles, students also learn medical office accounting procedures and medical insurance claim processing. Medical terminology and administrative routines and procedures specific to a medical office are covered. Students gain skills required for numerous industry-related certifications.
